December 1945	PAGE
Traumatic Head Injuries in Infants and Children	1
Streptomycin	9
Advances in Immunization in Pediatric Practice	18
Clinico-Pathological Conference	29
January 1946	
Metastatic Osteomyelitis Following Mastoiditis	33
Atelectasis in Infancy and Childhood	37
Rupture of the Kidney	42
Clinico-Pathological Conference	49
Announcement-George Washington University	54
February 1946	
Memingococcemia	57
The Problem of the Child Born of a Diabetic Mother	63
Spontaneous Pneumothorax	69
Clinical Pathological Conference	73
March 1946	
The Successful Use of Oral Penicillin in the Treatment of Subacute Bacterial Endocarditis	79
Macrocytic Anemia Treated with Folic Acid	87
Sudden Death from Coronary Insufficiency: Report of a Case in an Infant	92
Clinico-Pathological Conference	97

April 1946

PAGE

Histoplasmosis	101
Paroxysmal Auricular Tachycardia	115
Congenital Biliary Atresia	119
Clinico-Pathological Conference	123

May 1946

Thyrotoxicosis in a Child Managed with Thiouracil	129
Allergy in Pediatrics	133
Study of Child Health Services - Special Announcement	140
Foreign Body Vaginitis	142
Thrombocytopenic Purpura	145
Clinico-Pathological Conference	149

June 1946

Arachnodactyly	153
Generalized Vaccina	157
Peanut in the Lung	159
Penicillin Sensitivity	164
Clinico-Pathological Conference	169

July 1946

Polyostotic Fibrous Dysplasia	175
Hemophilus Influenza Epiglottitis	185
Salicylate Intoxication with Resulting Severe Ketosis - Report of Two Cases	189
Bilateral Retinoblastoma	192
Clinico-Pathological Conference	196
